

What can I do to help the Piping Plover?

Classroom activity:
Research and present a
Piping Plover Report
to your school and
community.

After school activities:

Write an article about
the Piping Plover for
your school newspaper.

Make informative
posters about the piping
plover and put them up
in town.

Personal activities:

Respect fenced areas on
the beach.

Bag all trash and food
scraps and take them
off the beach when you
leave.

Don't bring your pets to
the beach.

Community Service:

Volunteer to help
refuge personnel erect
posts, fencing,
exclosures and signs.
